**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am against dismantling key components of the 1996 Telecommunications Act to removing copper line-sharing to CLEC carriers.

I will be adversely impacted since Sonic.com, my telecom carrier, uses copper for the last mile to service my home with dial tone and internet; and at lower prices than AT&T, the LEC.

This new proposal to the FCC by USTelcom to rollback line-sharing is an attempt to reduce competition.
